FOR THE YEAR OF 1959

This is an imitation—an imitation of the people and events that made our year: Freshmen, the meek among the mighty, mimicking each other to conform; Sophomores, the proteges of the Seniors, imitating the latest fads and fancies of the upperclassmen; Juniors, the desire to be known as a class; and Seniors, gathering memories to cherish, duplicating the ideals of their teachers.

We know imitation as the sincerest form of flattery. Thus within Crafton High must live a presence that has instilled upon us a sense of wisdom and belonging that we feel proud to imitate and carry with us.

Although we were just a little reluctant to enter . . .

The difficult task of co-ordinating the varied and expansive business and activities of the Crafton school system is successfully handled by our Board of Education. These leading citizens, who have been chosen for their integrity and civic mindedness, give their valuable time that Crafton may have a sound educational program. With the welfare of the students and community at heart these dedicated people, led by Mr. Kloppman, decide the educational policies to be enforced.

OUR SENIORS 1959

Gary, Sue, Connie, and Rich swap signatures on senior snapshots.

At last the years have melted away, but myrids of magical memories have made for us a most unforgetable senior year. As a class we proved we had more than our share of talent, leadership, athletic prowness, and spirit.

Our senior activities began with a successful season of football, climaxed by the fantasy of the "Touchdown Twirl." While envious underclassmen looked on, we exchanged photos and later, thrilled at seeing our names engraved on our very own cards! The thunderous applause to "Arsenic and Old Lace" still rings clearly in our ears as class day draws near. Rollicking laughter of the entire assembly on class day, when red and white bedecked the auditorium, symbolized our spontaneous enthusiasm that has carried through our days at Crafton High. Our inspiring Baccalaurate service added a somber note to our gayety. As we stood together as a class for the last time at our joyously sad Commencement we felt a twinge of regret, fondly remembering our senior days.

But all this is over now. Ahead lies an entirely new adult way of life. As the few lingering notes of our class song eminate from our last assembly, we know the dynamic words of "Loyal and true hearted . . ." will spell the final end to much of our past life and yet introduce much more than we ever dreamed about. As we go forth we hold our heads high with pride. Yet humbly to our teachers we say a special "Thanks" for making our four year stay so memorable.

Three-fourths of the way along our careers, and we are beginning to assume leadership. Only a few months and our class will be the newest and best Senior Class yet, or at least we think.

How our hearts swelled with pride when we displayed our latent talents in "Decision on Ramey Scott." Our enthusiasm flared higher when we ordered our class rings. At last the long weeks of waiting were rewarded by the glorious day when they arrived. How hands were on parade that week ! !

But we settle ourself down to the true task before us—that of learning to be good seniors of tomorrow. We accept this challenge with the training that will come through our newly acquired responsibilities.

At the successful completion of our year, our prom was the enchanting climax of weeks of anxious toil and preparation. In reflection our "J.V.'s" cannot be over looked. We were right in there tackling for football, swishing at basketball, and pitching for baseball. It was a lot of fun, and a lot of work too, but that's what made it such a great success. All of this made us proud to assume the title of Senior.

We finally surpassed the special stigma of being called "Frosh!" This year proved that not everyone was towering over us. We could look at a Freshman and smile, remembering what our first days were like.

This year, we were reminded, endlessly it seemed, of the meaning of the word, "sophomore," but we took it with a grin, and did our best to make this year worthwhile. And we succeeded, because we no longer felt like the "lost class" of CHS., but more like a real part in what will one day be ours.

We gave the school our support and were rewarded by the victorious and winning plays of our football and basketball teams.

For the future, we are now looking forward to our next 2 years at Crafton with confidence of experience.

I wonder what he is talking about?

Frosh days are both exciting and mysterious. All the new faces of students and teachers, the new methods of learning, co-operating in our various groups, and getting to know each other leave little time for much else. However, we do find time for the all important basketball games, and the inter-mural activities.

While in our first days, we draw the obvious opinions of teachers that will influence us the rest of the year. The first days are somewhat difficult to adjust to, but once the confusion subsides and the dust settles, we step into the routine very easily.

"Oh, No, not you two again"

BAND

Under the skillful baton of Mr. John D. Small, the Crafton High School band again was kept busy by bringing music to the community. Long hours of practice which began during the summer months resulted in quick tempoed tunes and clever half-time shows to entertain and cheer the fans at the football games. After eighteen years of faithful service our old uniforms were laid aside and spanking new blue and gold ones, gained through the efforts of the School Board and the Band Parent's Associa-

CHORUS

A senior quartette: J. Merritt, R. Dunn, C. Bly, R. Kincheloe

In My Heart There Rings A Melody

Under the brilliant direction of Miss Sigrid Gayvert, another successful year has passed for the Crafton High School Choruses. The Mixed Chorus debuted at the American Education Week program. Mixed Ensemble presented inspiring programs for the Crafton Women's Club and the Civic Club at Christmas. The community Christmas program on December 19 and 20 was both entertaining and heart-warming as the full tones of secular and sacred songs filled the auditorium. On the evenings of March 19 and 20, the chorus presented the annual Spring Choral Festival that commemorated the one-hundredth anniversary of Victor Herbert by featuring many of his lilting arrangements. A special honor for the Mixed Ensemble came when they were asked to sing the "Hallelujah Chorus" at the televised Easter Day program at the Gateway Center. This was truly a tribute to the directing ability of Miss Gayvert.

ORGANIZATIONS

The big three of CHS.

Student Council

. . . work adds depth to the social life and service of the student body. These representatives, elected by the corps they serve, presented the "Touchdown Twirl" in November, crowning a triumphant sason. Before Christmas vacation they brought orphans from Tonner, St. Paul's and Oddfellow's to share our blessings. Their gift baskets to cheer sick classmates were very welcome. The climatic ending came when they sponsored the high school on "Club 11 Teen Time" on television channel 11.

. . . is the highest distinction that can be bestowed upon the students by their high school. The members of our faculty vote each year for those seniors whose qualities in scholarship, character, service, citizenship, and leadership carry them above their classmates. This membership does not only indicate scholastic achievements but also achievement in extra curricular activities. The Rotary Club of the Crafton Community honored these newly elected members of National Honor Society with three dinner-meetings at the Crafton Club Hall. There, the Rotary Club provided special programs of interest to them that were designed to help them to become good and useful citizens and to put "service above self."

THE 1959 GINKGO

The GINKGO staff, a diversified group of seniors under the leadership of Mr. Schroth, combined their talents to produce our yearbook. Long hours of grinding and conferring, plus a wee-bit of inspiration, brought about many changes in the appearance of the book. Sandra Lancaster and Lawrence Omasta were chosen co-editors by the faculty. While being introduced to the complexities of the publishing world, the staff soon swung into a pattern of work liberally mixed with fun. Time, tempers, and talent often semed to be short the same time deadlines approached. GINKGO, *focusing attention on the graduating* class, records a wonderful memory.

FOOTBALL

The Crafton High School football team of 1958, under the excellent coaching of Mr. Derrickson, Mr. Kmetz, and Mr. Mellett, will long be remembered in the hearts of those who watched and played as one of the greatest in th history of the school. "Play hard, clean, and win" was the unwritten motto of every boy who ran onto the gridiron. Double reverses, sparkling receptions of accurate passes, and thundering tackles befuddled their victims and forced them to accept the superiority of a team destined to win.

BASKETBALL

The snarling Basketball Cougars picked up where the Football Cougars left off. They swept a tough schedule to emerge with an unscathed record and the Section 13 Title. Many an amazing nerve-racking game was won by only one swish. When the occasion demanded, ever-ready bench players shouldered responsibility to bolster and relieve the close-knit five without imparing the strength. Each member of the team truly deserved his letter. The Cougars won by their unmatched talents and relentless spirit that enabled Jim Tetzlaw to play with a broken ankle. The Western All-Stars saw Tom Johnson and Bucky Pope in their ranks. Bucky, whose 1783 point career gave him the section record, was voted the Most Valuable Player of both the Hopewell Tournament and the East-West All-Stars. Their never-say-die attitude carried them into the WPIAL quarter finals against Uniontown. But even though the mighty men of Crafton came home with heads bowed, they always had fought valiantly and had given coach Paul Kmetz and their school a 19-3 record, the Section 13 Trophy, the Hopewell Trophy, and a never-to-be-forgotten team.

Managers Norm Amorose, Larry Hanley, and Steve Drew put a shine on the Hopewell Trophy.

Cougar Hoopsters Blazed Brilliantly On The Hardwood

"B" SQUAD

The Junior Varsity obtained another winning season by posting an 11-10 mark. The team was composed of a mixture of sophomores and juniors and promises good teams in the future. Tom Gill, Jim McLean, Jack Roycroft, Tom Loney, and Bob Stone saw plenty of action as the starting line-up.

FIRST ROW: R. Maxwell, R. Baker, H. Kurtz, T. Gill, W. Nicholson

SECOND ROW: T. Loney, J. McLean, R. Odisio, R. Thomas, F. Gimbel

FRESHMAN

The Freshman Team, due to the lack of height, underwent a five win and ten loss record. Nevertheless, these boys, under Coach Derrickson, were not to be outdone in spirit and hustle. The starting five were usually Jim Kossler, Bob Fellows, Harry Robol, Jay Schlieper, and Walt Lindsey.

FIRST ROW: R. Boone, Mr. Derrickson, R. McClintock

SECOND ROW: W. Lindsey, W. Smith, T. Lageman, J. Schlieper, D. Nowicki, J. Kossler, R. Fellows, H. Robol, R. Leety, A. Thomas, T. Frederick

ALMA MATER

Loyal and truehearted
Let us boost for Crafton High
We revere her and defend her
As her colors proudly fly.
We will stand for her united;
Of her deeds we'll gladly tell,
Her colors streaming,
Bright faces beaming,
So here's a cheer for her
That we all love so well.
Joyous and ever loyal,
Let us boost for Crafton High;
Let every heart sing;
Let every voice ring;
There's no time to grieve and sigh.
It's ever onward, our course pursuing,
Let defeat ne'er our ardor cool;
But united we will boost for her—
Our Crafton High!

Pepsters in action.

Spanish isn't all work.

"O.K., O.K., Break it up!"

CLASS SONG

Though we'll be gone our separate ways,
We won't forget our High School days.,
Our Junior Prom many memories brings,
Just as our class plays and rings.
Our senior year brought joys and gleam,
Our undefeated football team.
In basketball we used our cheers,
To boost the best team of the years.

And now our senior year has past.
Commencement Day arrived so fast.
And though the time has come to part,
Dear thoughts, happy times locked within each heart.
But though as friends we drift away,
We'll meet again some day.
So now it's time to say our good-bye,
Farewell to you, Crafton High.
